NA109	 What Can I Make? That's up to you! First, load up a computer program or any webpage.  Banana Piano Let's say you load up a piano. Then, instead of using the computer keyboard buttons to play the piano, you can hook up the MaKey MaKey to something fun, like bananas, and the bananas become your piano keys Or let's say you Google for an online Pacman game and draw a joystick w/ a pencil.
